

## DISCUSSION QUESTIONS

### **It's Time For Change!**

### **There's a place for you ~ Get Involved!**

One suggestion is for your event to be set up for fellowship and conversation following the presentation. We've had great success using round tables with a table hostess for each table - or gathering to sit in small groups. Our hope is to create a welcome place for conversation, enlightenment and hopefully, some smiles!

Here are some suggestions that a hostess can engage in that may encourage some conversation.

**Have you ever been embarrassed by your period?**

**If so, do you have a funny/embarrassing story to share?**

**Have you or anyone you personally know ever taken a trip to an undeveloped nation?**

**Do you know any women currently living on the mission field?**

**What were you most surprised to learn from the presentation?**

**What affected you the most?**

**What's next for you?**

Thank you for joining us!
